## Document Destruction

### Protect yourself, shred it.

*We provide confidential shredding services to commercial and residential customers to help safeguard against data security and intellectual property theft.*

Through our document shredding service, we are able to provide people living with disability, valued and meaningful employment so that they can be the best they can be.

With multiple locations the following services are available:

- 240 Litre **Lockable** wheelie bins
- Delivery and pick up service
- Removal of staples and clips
- De-construction of folders and binders for recycling.
