To all Mobo Employees,

**Re: JobKeeper Payments**

As you may be aware, the first round of JobKeeper payments are due to finish by the end of September 2020.

This letter is for all employees who were eligible and nominated for JobKeeper.

If you have been receiving the JobKeeper payments, this week will be the last pay that you will receive a JobKeeper top up payment, as Mobo Group will not be eligible for the next round of the JobKeeper payments.

For supported employees who have been receiving JobKeeper payments, you will need to advise Centrelink that after this pay you will no longer be receiving these payments, so your pension can be adjusted. This will be up to individuals and/or their advocate to contact Centrelink directly.

For staff who have been receiving JobKeeper payments, any change for individuals will be reflected on your future payslip.

We appreciate this may be confusing for some people so if you would like further help to understand it better, please ask your Employee Development Officer or Site Manager.

Kind regards,

A handwritten signature in black ink, appearing to read "A Ramsey".
